# ANNUAL REPORT

*Putting the Pieces Back Together*

**A Year of  
Hope, Help and Healing  
Made possible by you**

# Thank You

For keeping the puzzle together.

This is not your ordinary puzzle. At Southern Christian Services we help children make sense of their life puzzle every day. Children and youth come to us abandoned, abused, and neglected; their lives and stories are mixed up and in pieces. We help them sort through the pieces and put their puzzles back together.

And we owe it all to you.

Because of your support in 2016, we were able to give hope, help and healing to children, youth and families – in more ways than we ever have before. Amid the great triumphs of last year, we now look toward the daunting challenges of the coming year.

We invite you to help us succeed once again.

Help us break through and push further than we've ever been. We invite you to take the next step and join our cause to help more children put the pieces back together.

Sincerely,

*Amanda W. Annison*

# Three Siblings...

## Kept together by you

*In November 2015, a few weeks before Thanksgiving, Paul and Suzanne received a call from Southern Christian Services regarding a set of three siblings. After meeting the children and prayerful consideration, they agreed to foster the siblings in hope of adoption. When the children arrived to their new home, they were all on medication and performing poorly in school. Paul and Suzanne immediately enrolled the children in a school that met their special needs and offered extra help. They exposed the children to new experiences such as traveling, the arts, bonding with extended family, and extracurricular sporting activities, all while maintaining connections with their biological family.*

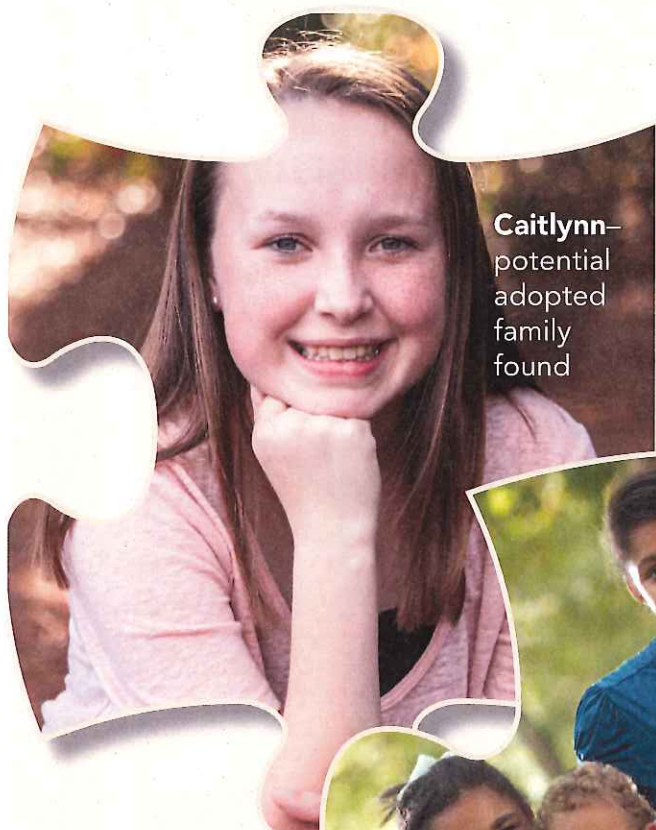

*Paul, Suzanne, and the three siblings officially became a family of five on November 10, 2016! We are proud to report that the children are thriving, no longer prescribed medication, and on honor roll! We are grateful to Paul and Suzanne for caring, nurturing and providing stability to their children.*

*We are also very grateful to each of you for supporting Southern Christian Services! Because of you, families are able to adopt children from foster care at little to no cost. Your support allows us to keep siblings together and provide loving and nurturing homes for all children in our care.*

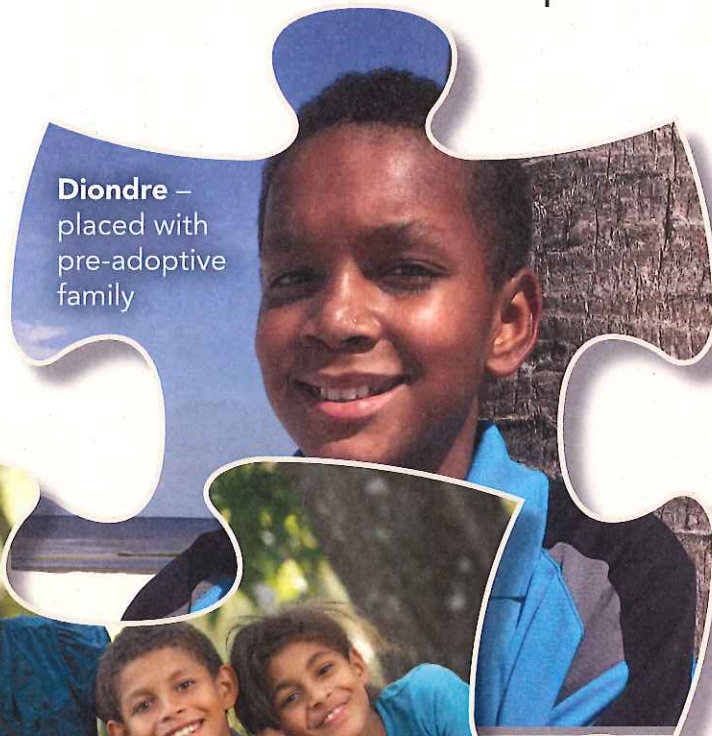

The Mississippi Heart Gallery is a collaboration between Southern Christian Services and the Mississippi Department of Child Protection Services to connect families with foster children free for adoption.

# Success with Children and Youth:

## Pulled Off Time and Time Again Because of You

*It wasn't going to end well...*

*Kate lived at one of our group homes for a couple of years. It was time for her to leave state custody, but she had nowhere to go. The homeless shelter was her only option.*

Left to Right: Kathy Flournoy, Director of Training and CQI; Chinnika Crisler, Division Director, Therapeutic Group Homes; Barry Dixon, Division Director, PREPARE; Shirene Abbey, Division Director, PIP; Christina Bach, Division Director, Therapeutic Foster Care and Adoption.

*Kate had a job, but was not ready to be on her own. She had no family support. If we kept her in our group home there would be no reimbursement for her care. Because of your support, we did not hesitate. Not one bit!*

*Kate stayed in our residential program three more weeks. During this critical time, she received services from our Independent Living Department. The staff found her a place to live and an educational program so she could learn a trade.*

*Now, Kate's receiving support from an entire new group of people to show her the way as she begins living independently.*

## Learning to live independently... All because of you

"Hello my name is Ashley Ross! I would like to thank you all at Southern Christian Services for all the help you guys provided me as well as guiding me in becoming a mature adult. I had no idea I would be where I am today and I owe it all to the staff at Southern Christian Services. I was able to meet different people along the way and I do appreciate you guys traveling all the way to Vicksburg, MS as much as you did just to make sure I had lights, running water, and food in my refrigerator. That's just some of the things you all did. You also helped me with setting goals, managing money, and most of all giving back. I've really grown as a person inside and out with the help from you guys, learning to never give up and continuing to move forward as an adult and being independent. One thing I can say since I've been in this program is I have never been without – no matter the situation or time of day.

I have no clue where I'd would be without the help of Southern Christian Services.

Thank You!"

*-Ashley*
